Oratory Skills Imparted Thirst of Curiosity Quenched

Extempore Speech Activity

Akola: To inculcate habit of public speaking, a special extempore activity was taken on Thursday, Oct 25. The activity was taken for Sr. K.G. students. They spoke about different community helpers.

Their teachers introduced the role of the community helpers in the society. They prepared the children by giving thorough information.

Each participating student had to pick up a chit and speak on the specific community helper written on the chit. The students enjoyed the activity. The activity encouraged students to speak out what they understood about the community helpers. It also imparted the stage daring and presence of mind among the growing kids.

Water Experiment Activity

Akola: Water is regarded as the basis of life. In view to make students the properties of water like fluidity and its uses, a special water experiment activity was held for Jr. K.G. and Sr. K.G. students on Friday, Nov 2.

The students were informed about water and its basic qualities.

The students were told of different uses of water including drinking. Agriculture requires the most amount of water. They were also told of different sources of

water, including rains, rivers, wells, tubewells, oceans. Water is also used as a means of transportation. Small boats to Cargo ships smoothly sail in water and reach their destination. The students enjoyed the water activity and learned about different properties of water.

Festival of the Victory Celebrated

Vijayadashmi Celebration: Nursery Kids Enjoyed the Festival

Akola: Dussehra or Vijayadashmi is the festival of the victory on the evil. It is celebrated throughout the country with gaiety and fervour. Again, people shared their happiness by giving 'sona' i.e. a few leaves of *Apta* and *Shami* as a token of respect. In view to make students understand the significance of the festival, the festival Vijayadashmi was celebrated at Prabhat Pre-Primary

School for Nursery Kids.

The students of Nursery

Sections came in their colourful costumes. They brought with them leaves of *Apta* and *Shami*. They gave it to their teacher as a token of respect and shared among their friends. On the occasion, their teachers informed them about the rich festival. They told them different ancient stories from the great epics Ramayana and Mahabharata. The students enjoyed the festival.
